

## HLF Month – How to Join

The HLF Month Page is set up to accept donations but also has the option to do “Peer to Peer” fundraising (i.e. similar to a Walk-a-thon or Run-a-thon – join a team and ask friends and family to sponsor you).

- 1) Visit the [HLF Month Page](#)
  - a. Options – look for these “Buttons” on the page
    - i. **Donate** directly to HLF Month
    - ii. **Create a Team** (Click “Create a Team” button & walk through the steps)
      1. i.e. we have had some schools create a team where people from their school community can make a donation or join the team to do their own fundraising
      2. If you are the one creating a team, there will also be a step where you are registering as an individual on that team, so keep that in mind when you are registering, for example:
        - a. Team Name = Marc’s Awesome Team
        - b. Individual Name = Marc Clare’s fundraising page
          - i. It’s helpful to keep two distinct names to avoid confusion when people want to either Join a Team or Donate to an individual fundraiser
        - c. I could then send the link to “Marc’s Awesome Team” to invite people to join this team as an individual fundraiser
        - d. I could also send the separate link to “Marc Clare’s fundraising page” to ask my friends and family to sponsor me
    - iii. **Join a Team**
      1. If someone has invited you to join their team, you can visit their Team page and click “Join this Team” and walk through the steps. You will then be joining as an individual fundraiser.
    - iv. If you have previously used CanadaHelps.org to donate to a charity, it will likely recognize your email address and ask you to login. That is perfectly fine, or you can use another email address if you prefer.
- 2) Fundraising Tips [For Participants](#) & [For Team Captains](#)
- 3) Questions?
  - a. Please contact Fadwa Hadeed and she would be happy to chat with you about the process

HLF helps HDSB students every day to stay focused on learning and engaged in class.

This year, schools across the HDSB are being asked to help raise funds for emergency requests for food, clothing, school supplies, and hygiene items.

Schools can choose how they would like to make an impact during the first HLF Month Presented by CN.
